## The Passing of the Present Type of Motor Car

DESIGNS in motor cars change—for there is advancement. It has not been many years since we heard the chug of the one-cylinder, and the rear tonneau was the only car we knew. There is as distinct an advancement today over the type generally known as was the side door tonneau over previous designs. But this new advancement is in simplicity. We are leaving out many things that in former designs were thought necessary. The HUDSON "33" is the Simple Car. It has so many fewer parts than others. There are no exposed rods, wires or other mechanical bric-a-brac.

HOWARD E. COFFIN the designer of the HUDSON "33" had built four other cars—all of them successful and the leaders of their time—before he started on this one. Each of those models established the designs for other makers for the years that followed. Truly, he is two years ahead of others. The HUDSON "33" shows that conclusively. Come see it here. A glance convinces you of that fact.

OUR allotment is limited. Only a few can be had in this territory. When they are gone no more orders can be accepted. So if you decide upon a HUDSON, place your order early.

The HUDSON "33" is furnished in three types: a Touring Car at \$1,400, a Pony Touring at \$1,450 and the Torpedo at \$1,500. These prices include complete equipment with dual ignition system, including Bosch magneto, mohair top, Presto-Lite gas tank, gas and oil lamps, tools, repair kit, etc. These prices do not include freight from Detroit.

Mrs. Walter H. Emory has returned from Chicago, where she has spent the past two months, as the guest of her brother, Rev. Carl H. Corwin, and family.

George W. Taplin has gone to Corinth to run the evaporator for his brother, Joseph E. Taplin, who has a large sugar place and is one of the enterprising sugar makers of that town.

Fred E. Goodwin started his saw mill Monday and is assisted by Allison George. Mr. Goodwin has the largest amount of lumber to saw out this spring he has had for several years.

Madam Lucy Beckwith, who has been working in the family of Cornelius C. Seales on the west hill for the past three months, has finished work there and returned to the home of her sister, Madam Stanton.

Mr. and Mrs. Leon C. Ordway spent several days in Barre City last week as the guests of the former's sister and husband, Mr. and Mrs. E. Parker.

Mr. Ordway has been confined to the house several days this week as a victim of the grippe, but is now able to be at his place in the store again.

Miss Gertrude M. Bacon, who is teaching in Claremont, N. H., is at the home of her parents, Mr. and Mrs. Erdix N. Bacon, on the west hill to spend her Easter vacation. Her winter term closed March 24 and the high school building in which she was teaching, was consumed by fire on the night following the close of the term.

Oliver D. Medcalf, who was very seriously injured in one eye several weeks ago by being struck in the eye by a whip lash, is able to be out of doors again after being confined to the house by reason of his injury. His eye still pains him more or less and as yet he is unable to see anything with it.
